We are to have a fresh per-pert from the Commission, during the pre-pert of the present of the commission of the great mystery. I believe that, similar views are held out this question by Mr. Diseased, so that whatever Government might be in office one farmers could not possibly carry the point. When I speak of our farmers, I mean of course, the whole agricultural interest owning or catilvating the land. The appeal may possibly to made to Parliament, but the sisted upon by the lattners and their directs are the following:

1. The influents imposied into the country be an above of at the period debrakation.

2. The unstill test for March next to cattle be Otherhol's to by the processation, and the oblow as manatime, to which the definition examples, the manatime of the control of NEWS FOR FARMERS, Importations of Animals and Cercula-late the Fulsed Kingdom Buring Eleven Months of 1804—085—Importa-tions of American Wheat—What the Cettic Piagne is Beling in Engiand— is Elioderpoet Simil Pext—Immocula-tion of the Piagne Poleon Produc-tor a Simily Poleon Produce Section of the Piagne Poleon Produce Debase Before in Pathelongical Socia-sty of England. 2. This all cuttle sens to the metropolitan market, whither the state of the state of March next to cattle referented to travel on any highway excepting the purpose of moving from one field to should not be some form, and that every minus for changing the same form, and that every minus for changing the same form, and that change minus for changing the premarket wither one to the purchases.

4. That can half of the permittee indicated should post to each other many by the premarket. the decrease fact for white except the control of t [From Our Own Correspondent.]

London, January 10th, 1804.

TATIONS OF ANIMALS AND CREMALS 1870 THE
REP KINGDOM DURING SLEYES MONTHS OF By comparing this deart with the provisions of the earlithing arrecement, the reader will get an idea of the one-sided and under character of the so-called Reciprocity Treaty between the two countries.

The new Julii for a treaty provides "that Canada shall repeabled duties and tariffs on sall, cars, locomotives, vehicles of all kinds, machinery, furniture, tools, implements, soap, starsh, boots, chose, leather, horie shoe nails, harnoss, tacks, brads, watches, maske and musical instruments, clocks, thi and wooden wars, mineseinde of since, coarse shaw is, satisfact, kinetings, and shirtings, worth less than one dollar per pound and raise her interest tax and duty on spirits to at least 15 cm. jer gallon, who measure." The last clause is for prevent snuggling. The Canadian at string our data to a dollar, while theirs is increased to avenify-dre cents, makes them so, nearly alike that the amugglewer yeodis. the control of the control of the state of the control of the cont N ORDINANCE TO Moral Aspects of Protection.
Entire, Chicago Triums:
A number of writers have acgued the quation of Free Track and Protection in you
columns in its commical bearing, but some
I believe, have treated of its moral feshios Cucetion. Can you name mother?
Anewer.—Mr. Down, at the President's. He said thought she was enther hope.
Mr. Hughes—How much do you get for makin FROM EUROPE. 250, 752 600, 840, 478, 600, 1,868, 841 16-675, 1,075, 531, 204, 848 871, 851, I believe, have trested of the movel festives. I proposed to say something on this head. That Production is sobbery is admitted on all hands, (though some people squires a little at the name, and the only difference believen the Protectionists and the Free Traders is that the former content that the review that the former content that the review they is, upon the whole, advantageous to the country, while the latter believe that it is disadvantageous. New the robbery, whether, upon the whole, advantageous or disadvantageous, is a robbery of the poor for the benefit of the rich, and therefore is the worst species of robbery. Looking upon it in its most force, and therefore is the worst species of robbery. Looking upon it in its most force, also light for the Protectionists, their decreme is the doctrine that we may do evil that good may come—as axpleded doctrine in every school of morals in Christiascian except the Rissam Catholic Church.
